

Career Discovery

- I have a clear idea of what type of job I would like to pursue after graduation.

List the job title or explain what type of job you want to pursue.

- I have some general ideas of what type of job I would like to pursue after graduation, but I'm not sure yet.

List some job titles that interest you.

- I have no idea of what type of job I would like to pursue after graduation.

ASSIGNMENT – Write a short paper on your career discovery activities.

1. Research the job you want to pursue after graduation by 1) Job shadowing 2) Internet job search* 3) Visit Career Services 4) Talk to your program coordinator
Based on your research, explain what you learned about the job and whether this research confirmed that you are pursuing the right field for you.
2. Research jobs titles that interest you by 1) Job shadowing 2) Internet job search* 3) Visit Career Services 4) Talk to your program coordinator
Explain what you learned about each job title and whether this research helped you clarify what you want to do in your future.
3. Work with Career Services to come up with a list of job titles that interest you. Use this website to help you: <https://career.berkeley.edu/Plan/KnowYourself.stm> and this one: <http://www.mynextmove.org/>
Explain what you learned in this process. Did it help you gain a clearer vision of what you want to do in your future? If so, discuss the job titles that most interest you and why. If not, what is your next step in discovering what you want to do?

*<http://www.mynextmove.org/> has a lot of information you can use for your research
